

End of Rain/Clear Sky: Discussion Questions

This music video celebrates the beautiful beaches and seas around Scotland and the amazing range of plants and creatures living under the water. Watch the film, then discuss the following questions with a friend, an adult or your class.

What do you like most about the sea and beach?

Can you name any of the creatures and plants you spotted in the film?

How did the music make you feel?

How did you feel when you saw the seabed getting destroyed at the end?

What do you think is the message of the the film?

The film said that our seas are 'under pressure'. What sort of things do you think threaten our seas?

What do you think we can do to help look after our seas and beaches?
